

SHABBIR ENTERPRISES

Over 40 Years of Experience in Providing Comprehensive
Lifting, Rigging, Material Handling & Safety Solutions

Company Milestones

1984

Building the Foundation

Shabbir Enterprises LLC is born from the vision of its founder, Mr. Shabbir. He saw a need for a company offering a comprehensive selection of high-quality hardware solutions, all under one roof. This dedication to diversity and quality continues to be a core value today.

1990

Adapting to Growth

Dubai's landscape began to transform with the rise of mega construction projects. Shabbir Enterprises LLC recognized this shift and honed its focus on lifting, material handling, and safety solutions – perfectly suited for the booming industry.

2000

Reaching New Heights

The company's commitment to innovation takes center stage. New lifting solutions are developed, and the product range expands significantly. This dedication to excellence positions Shabbir Enterprises LLC as a leader in the industry.

2008

Safemax

As construction projects reached new heights, so did the importance of safety. Shabbir Enterprises LLC prioritizes fall protection with the introduction of the SAFEMAX range.

2010

Empowering Efficiency

Recognizing the growing import and export needs of the UAE's shipping and logistics sector, Shabbir Enterprises LLC introduces LIFEMEX Material Handling Equipment, streamlining operations.

2016

Building on Success

LIFEMEX Lifting Equipment is launched, specifically catering to the demands of high-rise construction. This targeted approach ensures Shabbir Enterprises LLC remains at the forefront of the industry.

2022

A One-Stop Shop

Shabbir Enterprises LLC celebrates a significant milestone – becoming a one-stop shop for all safety and lifting solutions. The company remains committed to innovation, ensuring its extensive product range that continues to evolve and revitalize the industry it serves

2024

Elevating Excellence

In 2024, Shabbir Enterprises is elevating industry standards with advanced technologies and expanded global reach. Building on over 40 years of expertise, we continue to lead in lifting, rigging, and material handling solutions, emphasizing innovation and safety.

We work hard to provide our customers with exceptional services through our sturdy, safe, well designed and reliable products.

At Shabbir Enterprises, everything we do is centered on our commitment to our clients. We've built a culture of service excellence that begins from my office and extends through every level of our company.

We work hard to always maintain and strengthen our customer service with our high quality products and services and are proud of the principles and commitments that we follow, it plays a vital role in our continued success.

I believe our passion, expertise, reliability and innovative approach will continue to keep us at this level and beyond.
